RE: Proposition 65 Pre-Notice Letters

Dear Mr. Wallace:

We are writing to confirm our understanding that you will cease and desist from sending Pre-notice letters to companies threatening to sue them under Proposition 65 and offering to settle the matter. As we informed you, these letters evade the intent of the statute that the Attorney General and other public enforcers be given an opportunity to evaluate the alleged violation and decide whether to take action, and that private enforcers report all settlements. We understand that you have not entered into any settlements as a result of these letters. Please inform us immediately if that is not correct.

Sincerely,

/s/ Susan S. Fiering
